

**You and your dad each caught a fish!  
Can you find the SIX differences between the two?**

**DAD'S FISH**

**YOUR FISH**

1. Your fish has no white in its eye. 2. Your fish has 2 black spots at the bottom instead of five. 3. The top teeth are missing from your fish! 4. Your fish has wavy tail lines. 5. The fin at the bottom front of your fish is missing a piece! 6. Your fish has extra gills!
